

Wee Kirk™, Small Church Conference

To inspire, equip, motivate and encourage small Presbyterian Churches and to provide rest and refreshment for the clergy and lay leaders of those churches.

August 16, 2021

Dear Saints and Friends of the Wee Kirk Conference,

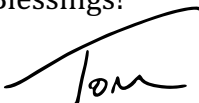

On behalf of the planning team, I thank you for your passion for the wee kirk and for your past participation in the annual Wee Kirk Conference held at Laurelville. It is a blessing to be in partnership together and to have this opportunity for those of the wee kirk to gather together in a spirit of fellowship, support, and equipping.

This has certainly been a challenging season for so many and that is also the case for the Wee Kirk Planning Team. We fully intended to hold our 2021 Conference this fall but several unanticipated factors have forced us to cancel the event.

In the interest of disclosure and transparency, our planning team has experienced some transition over the last two years and the remaining members were not comfortable heading into the conference with fewer hands to help with preparation and hospitality.

The planning team will be meeting this fall to discern the future of the Western PA Wee Kirk Conference. We would enjoy hearing your stories about the impact and blessing it has had on your life as we discern. You can email me at revtom.moore@gmail.com. Additionally, if you have ever sensed a call to serve on the planning team or be involved with helping during the conference please don't hesitate in letting me know.

Blessings!
